EMI PAYMENT POLICY — VERSION 1
Policy ID: EMI-001
Version: 1.0
Effective From: 2025-01-01
Effective Until: 2025-12-31
Status: Retired

1. EMI Due Date
Customers should pay the scheduled EMI on or before the contractual due date.

2. Grace Period
A customer may receive a grace period of 3 calendar days after the due date, subject to the applicable loan agreement.

3. Late Payment
Late-payment charges may apply after the grace period. The exact amount must be verified from the customer's account or applicable agreement.

4. Customer Communication
Agents should explain the due date and applicable payment options without making promises about fee waivers.

5. Hardship
Customers reporting financial hardship should be handled according to the hardship procedure. Agents must not promise approval of restructuring or relief.

6. Disputes
If a customer disputes the amount or says payment has already been made, verify the account/payment record before requesting payment again.

IMPORTANT: This version is retained for historical retrieval. Do not use it when a newer policy is effective for the customer's interaction date.
