EMI PAYMENT POLICY — VERSION 2
Policy ID: EMI-001
Version: 2.0
Effective From: 2026-01-01
Effective Until: 2026-12-31
Status: Active

1. EMI Due Date
Customers should pay the scheduled EMI on or before the contractual due date.

2. Grace Period
A 5-calendar-day grace period may apply to eligible accounts. Eligibility must be verified from the account system.

3. Late Payment
Late-payment charges may apply after the applicable grace period. Never quote a fee unless it is available from the account or approved policy data.

4. Payment Options
Agents may explain approved payment channels available to the customer. The agent must not invent a payment method or payment link.

5. Hardship
Customers reporting financial hardship should be routed through the hardship assessment procedure. Agents must not guarantee restructuring, waiver, or settlement approval.

6. Disputes and Already-Paid Claims
If the customer disputes the amount or says payment has already been made, stop repeated collection requests and verify the payment/account status.

7. Escalation
Legal, fraud, deceased-customer, and unresolved dispute cases should follow the applicable escalation SOP.

IMPORTANT: This is the active 2026 version for interactions within its effective period.
